The Honorable Xavier Becerra
Ranking Member, Subcommittee on Social Security of the Committee on Ways and Means,
United States House of Representatives
Washington, DC 20515

Dear Ranking Member Becerra:

The undersigned Co-Chairs of the Consortium for Citizens with Disabilities (CCD) Employment and Training and Social Security Task Forces are writing to thank you and express our strong support for the bill you are introducing to ensure the continuation of services under the Work Incentives Planning and Assistance (WIPA) program and the Protection and Advocacy for Beneficiaries of Social Security (PABSS) program. These two critically important programs help beneficiaries of the Social Security disability programs navigate the complex program rules and work incentives and attain economic self-sufficiency. The PABSS program was created in 1999 to protect the rights of beneficiaries as they attempt to go to work. The WIPA program funds Community Work Incentive Coordinators who help beneficiaries understand their options if they choose to return to work. Without congressional action, these programs will run out of funding soon causing many Social Security disability beneficiaries to go without services to help them return to work.

As you know, both WIPA and PABSS are vital to help Social Security Disability Insurance and Supplemental Security Income beneficiaries who wish to return to the workforce. WIPA grants go to local non-profits and other agencies to support outreach, education and benefits planning. WIPA grantees inform beneficiaries on the impact that employment will have on their disability income and medical coverage, and address many of the real fears that individuals have about going to work at the risk of losing health coverage.

PABSS provides a wide range of services to Social Security beneficiaries. This includes information and advice about obtaining vocational rehabilitation and employment services, information and referral services on work incentives, and advocacy or other legal services that a beneficiary needs to secure, maintain, or regain gainful employment. Advocates funded by PABSS can investigate and advocate to remedy complaints of employment discrimination and other civil and legal rights violations, and to address deficiencies in entities providing employment supports and services to beneficiaries.

Thank you for your leadership in continuing the WIPA and PABSS programs. We thoroughly support the continuation of these vital programs for people with disabilities.

Sincerely,
